

Founded in Klamath Falls, Oregon in 1960, JELD-WEN has grown from a small millwork plant started by Richard Wendt into a global business with operations in over 50 countries and employing almost 20,000 people. With an established reputation for commitment to innovative design, unsurpassed craftsmanship and excellent customer service, JELD-WEN has provided reliable doors and windows to homes, apartments and commercial buildings around the world for more than 50 years.

JELD-WEN Australia is the name behind the iconic brands of Airlite Windows and Doors, Corinthian Doors, Regency Showerscreens and Wardrobes, Stegbar, and William Russell Doors. JELD-WEN Australia manufactures and sells products across Australia, New Zealand and Asia. We also distribute products from our manufacturing locations to Asia, Europe and North America.

The JELD-WEN Australia brands all started as family businesses and have built trusted relationships with Australian builders and homeowners for close to 70 years. We are committed to maintaining the trust of our customers and continuing to grow and flourish as the partner of choice for Australia's residential building industry. As a business, JELD-WEN Australia takes pride in knowing our customers and appreciating the unique way in which they express their lives through their homes.
